

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and a 25° angle. The drawing includes the following dimensions and features:

- Overall Dimensions:**
 - Vertical height: 111.16
 - Horizontal distance from left edge to center of bottom-left hole: 9.99
 - Horizontal distance between center of bottom-left hole and center of bottom-right hole: 19.99
 - Horizontal distance from center of bottom-right hole to right edge: 50
 - Vertical distance from bottom edge to center of top-left hole: 72.70
- Angles and Slopes:**
 - Angle: 25°
 - Sloped edge length: 60.56
 - Horizontal distance from left edge to center of top-left hole: 9.99
 - Horizontal distance between center of top-left hole and center of top-right hole: 19.99
- Holes:**
 - 6x $\phi 5.48$ (Six holes with diameter 5.48)
- Other Dimensions:**
 - Horizontal distance from center of top-left hole to right edge: 20
 - Horizontal distance from center of top-right hole to right edge: 20
 - Horizontal distance from center of bottom-left hole to right edge: 20
 - Horizontal distance from center of bottom-right hole to right edge: 20

127.5

A horizontal beam of length 40 is shown, fixed at the left end. A downward point load of 4 is applied at the right end.
