H - Stage Plate: Assembly Instructions

Collapsed View

1. Fix large stage plate (H1) to existing base stage plate (D10) using 4 of the M5 bolts (A4), spacers (H4), M5 washers (A5), and M5 nuts (D19).
2. Attach two small stage plates (H2) to any of the 12 different locations on top of the large stage plate (H1) using 8 of the 6-32 bolts (H5) and springs (H3).
